10 Tips for Success with a Multi-Generational Organization

1 Build relationships with all generations.

2 Share the knowledge you have.

3 Mentor others in a generation other than yours.

4 Be open to being mentored by another generation.

5 Speak out against generational stereotypes.

6 Hire for character first, regardless of age.

7 Listen to understand differing perspectives.

8 Recognize and use your generational "gifts".

9 Provide a "seat at the table" for all generations.

10 Treat every generation with dignity & respect.
